Macedonian AC strategy

• State program for Prevention and Repression of Corruption and Prevention and Reduction of Conflict of Interest 2011-2015
• 11 different sectors
• SCPC coordinative body
• Action plan: 51 problems/risk areas, 156 activities, 220 implementation monitoring indicators, 156 effectiveness monitoring indicators.
• Web application for collection of data

Ideas for future improvement

• Output vs. Impact indicators
• Prioritization of certain sectors and risk areas
• Need for independent ‘third party’ monitoring
• CSOs as partners: research, expertise
• CSOs as watchdogs: independent evaluators
