

# Conference of Magistrates Schools from SEE - Sofia, 24- 25 April

Serbian Judicial Academy

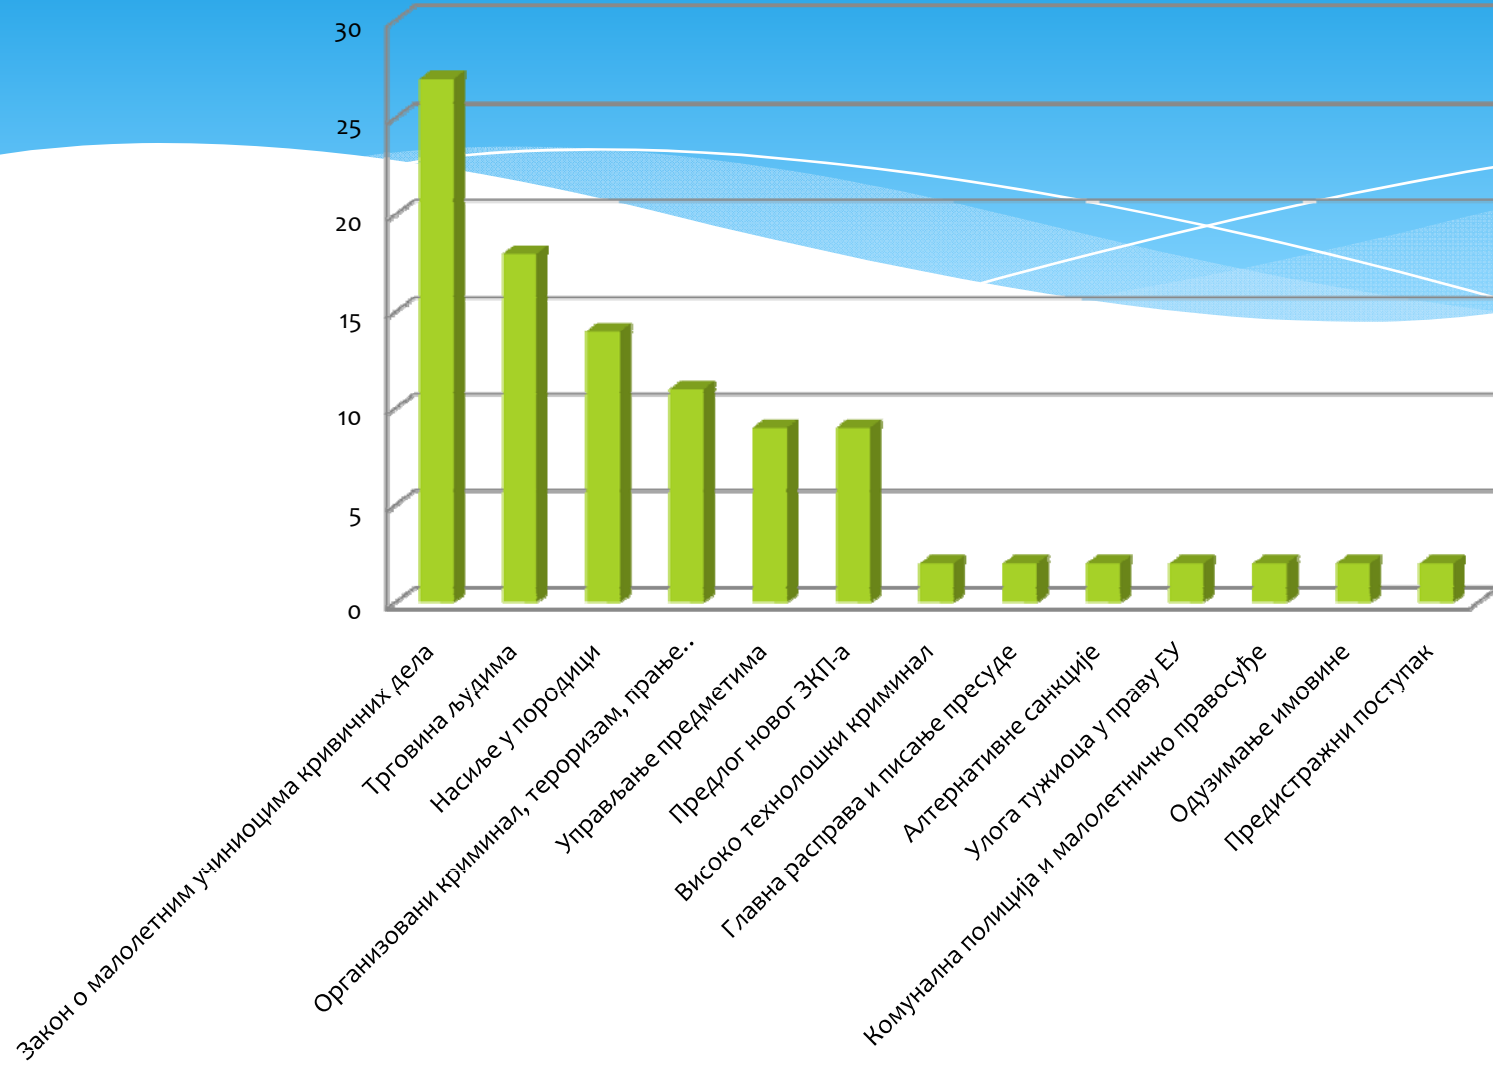

# Judicial Academy

- \* Judicial Training Centre was established on 2002, on 2010 based on new Act on Judicial Academy, the educational institution changed its name and gained new competencies
- \* Along with continuous education, the Academy has enrolled two generations of students (future judges and prosecutors)

# Judicial Academy

- \* Program Council has work groups which are in charge of the annual curriculum both for initial and continuous training
- \* The annual program is revised based on evaluations

Seminars in 2011 for the criminal law in percentage

- \* Judicial Training Centre systematically started with education on combating corruption in 2008, before that only ad hoc seminars were delivered
- \* First systematic seminars in 2008 were on Measures in fight against corruption, 22 of them were delivered for first and second instance judges and prosecutors, 761 participants in total
- \* Special attention was paid to international standards and obligations of Serbia in combating corruption

\* Within Criminal law annual curriculum, numerous seminars during past 4 years were dedicated to the following aspects of corruption:

- \* Money laundering and financing of corruption with examples
- \* Financial investigations
- \* Organized crime, money laundering and corruption
- \* Investigation and investigative measures in fight against money laundering
- \* Investigation and investigative measures in fight against money laundering – relation between law enforcement and prosecutors

- 
- \* Needs of Judicial Academy in this field
    - \* Networking and regional cooperation
    - \* Exchange of experience with focus on European good practices

Thank you for your attention!
